

What Makes Us Different? Our People!

When it comes to delivering exceptional service and results, not all companies are created equal. While others may promise big things, Your Choice Home Care actually delivers. Here's why we stand out:

✔ Services We Provide

Community Based Supports and Individual Supports including enhanced needs.

✔ Dedicated Support

Each client gets a dedicated 1-on-1 Client Service Specialist. Much like support coordinators, our Client Service Specialists each have a small group of families they are dedicated to work with.

✔ We Personally "Get It"

Founded by parents of children with autism – we personally "get it." Our compassionate approach stems from having extensive experience with individuals with IDD, including loved ones.

✔ DDD Experts

We have decades of experience serving those with IDD and with DDD/Medicaid.

✔ We're Here For Families

We're responsive. Available day or night, 7 days a week.

✔ Client-Focused In Every Way
