

Our team is committed to...

- ✓ Informing and educating individuals about Medicaid, including eligibility requirements, benefits, and the application process
- ✓ Assisting individuals and families in the enrollment process for Medicaid
- ✓ Organizing and supporting community & provider events, workshops, and information sessions to ensure people are aware of Medicaid and its benefits
- ✓ Collaborating with healthcare providers, schools, social service agencies, faith based and other organizations to reach underserved populations
- ✓ Helping members be advocates for their own health
